

pro film color

Skip the Boring. Style + Shield in One.

Style and substance collide with PRO COLOR, our vibrant paint-like protection film that's engineered to turn heads and take hits.

Bold Finishes

Customize your ride using OEM-inspired colors with smooth, low-texture surfaces in gloss, satin, and metallic finishes.

Self-Healing

An advanced topcoat construction self-heals light scratches and swirl marks.

Defensive Shield

Guards against rock chips and road hazards for ultimate protection.

Superior Design

Won't yellow, crack, or stain. 10-year warranty included.

Easy Maintenance

Cutting-edge hydrophilic tech repels water, chemicals, and grime for easier maintenance and a longer-lasting finish.
